Sandwich Monthly Meeting of Friends held at Sandwich 10th mo. 1900.

Accounts from our several Preparative Meeting have named as representatives to this Meeting Susan F. Hoyle and others who are present except two.

The representatives to the Quarterly Meeting [illegible]

The committee appointed last month to look at the preservation of the East Friends Burial Ground in Falmouth present the following report and plan of the ground which is very interesting and satisfactory to us, which plan of ground and report of committee is to be both preserved and recorded: viz,—

To Sandwich Monthly Meeting of Friends.

The committee appointed [illegible] last to obtain and put in proper order the ancient Burial Ground of Friends in Falmouth make the following report.

In order to procure a quit claim deed

from the Hawthorn hedge, it was required that the ground should be suitably fenced, with corners at which angle irons should be fastened to the line of the old wall which was very irregular but considerably shorter. This necessitated a cost larger than the estimate of £5.5.0 — but a great improvement.

Your committee made a careful survey of the grounds and have made a plan of the same showing just the relative position of the old wall to the present fence, which has been built on a substantial concrete foundation and with iron posts and rails and iron gates. The plan shows nearly the position of the rows of graves, which have been numbered from South East to North West. Beginning at the South East end of the ground the first row contained four, the second seven, the third twenty, the fourth ten, the fifth twenty (this was a childrens row) sixth ten, seventh eight making in all sixty nine graves which were well spaced but originally there may have been nearer one hundred, as there seemed to be large vacancies where it would have seemed natural to have used the ground first. We have had a panel put over the entrance (outside the iron enclosure) and inscribed "Friends Cemetery, 1720, 27 graves", also the date 1908 cut on the corner post of the iron enclosure. The old gravestones standing have all been removed, the surface graves are level with the turf and the whole presents a neat appearance.

The expense has been £273.88. Falmouth's proportion £91.5.0 and also the cross over

the first estimate ($176.00) has been subscribed by
Friends not members of the Preparative Meeting.
A duplicate [illegible] of the old cemetery will be
found in the book containing the "record of graves
in the burial [illegible] and [illegible]
kept in the safe of the West Falmouth Library.

We would suggest that most of this report
be found for [illegible]

In considering the fact that the Town of Falmouth
passed a vote [illegible] to [illegible] the [illegible]

Recommend that the Monthly Meeting
charge a burial fee of $10.00 for non-members
who will not contribute to the original
Fund for the Cemetery and the

We are glad to have the company and religious service at this meeting of our dear friend John M. Watson. It has been helpful and encouraging.

We are pleased to record our appreciation of a most interesting service held yesterday at the close of our 2th Mtg. in commemoration of the setting up of Sandwich meeting of Friends 250 yrs ago, by the coming of John Copeland and Christopher Holder from England in the year 1657. "Within the first year of the Fd's visit 18 families were gathered into the society. As years pass on we hear of 60 families, — then of an extension of membership into Yarmouth, there into Falmouth, where a regular Mtg was going on in 1685. — And by the spreading of Fds from this way or that a number of congregations were established on the other side of the Bay, even unto Rhode Island and all are comprehended under this one 2th Mtg of Sandwich, and to Sandwich

some ten congregations still look as their historic centre". For two most interesting papers on the early history of the settlement of Friends on Cape Cod, we are indebted to our friends Edward F. Tucker of New Bedford (present Clerk of Sandwich Mly Mtg) and John H. Dillingham a native of West Falmouth, now resident in Philadelphia and a minister of that meeting.

Reverent desires were expressed that the God of our fathers who suffered so much for the upbuilding of Truth in these parts might continue to be worshipped as our God, and thanksgiving was acknowledged unto him for the steadfastness of generations that are past, and for the mercies yet extended unto us, and for the manifest favors of our Memorial day.

Having attended to the business before us, we conclude - purposing to meet at West Falmouth in 11th month.

It was the termination of a most precious life of faithful and devoted service as a Minister of the Gospel of Christ and as a Missionary of the Cross to the poor and unenlightened in that Island. He was a native of Worcester, Mass. After spending 18 yrs there he passed away at the age of 45 yrs.

The minutes of the last meeting have been read.

We appoint Victor B. Gifford, Lydia D. Lawrence, Mary E. Bowman, Gilbert S. Bowerman, Annie C. Rose and Elizabeth G. Crowell as our representatives to attend the Quarterly Meeting ought to be held in New Bedford.

message on the crucifixion of Christ, stressing the thought of a religion of efficiency.

No further business appearing, we conclude.

Sandwich Monthly Meeting of Friends held in West Falmouth, 7th mo 9th, 1926.

The minutes of the last meeting have been read.

The representatives to the Quarterly Meeting report their attendance with one exception.

There is a felt concern among the members of this meeting that the words "straightened circumstances" should be stricken from the form of the wording of instructions to the committee appointed to give financial aid to members who desire to attend the Yearly Meeting.

To facilitate to advantage the holding of the Monthly Meetings, which occur in the seventh and the tenth months, this meeting is united in requesting Sandwich Quarterly Meeting to change the time of holding the Monthly Meetings which occur in these two months, from the hour of 11 o'clock A.M. on the 5th day following the Quarterly Meetings held in the seventh and the tenth months to 3:30 o'clock P.M. of the same day as that on which these two Quarterly Meetings are held.

A request has come to this meeting from the New England Telephone and Telegraph Company asking for the privilege to place a line of poles across land owned by Sandwich Monthly Meeting of Friends, the trustees of Falmouth Particular Meeting are named as a committee to confer with the New England Telephone and Telegraph Company and take any action thereon which they deem wise, and report at a future Monthly Meeting.

Then personally appeared the above named Albert S. Bowerman and Arnold J. Gifford and acknowledged the foregoing instrument to be their free act and deed of the Sandwich Monthly

Meeting of Friends by its Trustee before me.

Justice of the Peace

(My commission expires March 27th, 1921.)

This meeting united with this report and the Clerk is authorized to send ten minutes of account to the New England Telephone and Telegraph Company.

The committee appointed in the 6th item to have charge of the lunch for the Quarterly Meeting held in this place, report the services attended to. They are instructed to forward the bill of expense for same to the treasurer of the Quarterly Meeting for payment.

The Superintendent of the Sandwich Bible school reports that he held a two weeks session of Daily Vacation Bible School beginning 8th mo 2nd. The largest attendance for a day was eleven.

This meeting is united in recording at this time our appreciation of the services of Olin and Ellen Henderson, members of Toronto, Canada, Monthly Meeting in our midst for a time. Their services in ministry and love have been a strong influence for good in the community. As they go from us to their new field of labor in East Vassalboro, Maine, our prayers attend them that they may be blessed and that they will be a blessing to those whom they minister unto.

We have with us at this time, Ellen Grant of Haverford College, Haverford, Pa. Her service of love and exhortation have inspired us to a deeper devotion to our Heavenly Father.

The following report of the "Friends Meeting at South Yarmouth" is of much interest to us.

"On Sunday, August 29th, at 3:30 o'clock in the afternoon, the Friends Meeting House at South Yarmouth, was opened for worship for the first time in about a twelvemonth.

The room was comfortably filled with Friends,

summering on the Cape and others living in the vicinity, under joined residents of South Yarmouth at the service. According to the old-time custom, the men and women sat on either side of the central partition. Seth Kelley was in his usual place on the facing seat and Elihu Grant sat here with him.

Dr. Grant spoke sympathetically of the work of Friends today in the West and in North Carolina, expressing the thought that Friends' different methods and ideas are really only variations of the same belief, and that these variations are to be regarded as symptoms of health. He stressed the fact that all Friends, wherever situated, or to whichever branch they belong, unite in a strong testimony for peace.

Those present who for years attended the South Yarmouth Meeting included Seth Kelley and his two brothers, David Dudley Kelley and Samuel Dudley Kelley, also Abba C. Loring and her two sisters, Lucy W. Baird and Hannah H. Sears.

"Although this meeting house has been closed for some time, the custom of opening it for worship once each summer has obtained for a number of years."

No further business appearing, we conclude, purposing to meet in Sandwich in the 12th mo.

Frank H. Dix Fund.

The savings bank accounts belonging to this fund (in New Bedford Institution for Savings, in New Bedford Five Cents Savings Bank, now in the Base Rico Savings Bank) remain the same as a year ago - only the interest having been received and used.

Stock in the First National Bank of Falmouth stands as formerly but that of the Merchants National Bank of New Bedford has

been reduced, in the case of the Meeting holdings, from 75 shares, $20.00 par value, to 25 shares, $20.00 par value, under a recapitalization plan which went into effect some months ago.

Joseph Wing Fund.

This fund has holdings in the New Bedford Institution for Savings, The Bass River Savings Bank, and the First National Bank of Yarmouth. Remarks in regard to these three banks in connection with the Sarah Hoxie Fund apply equally in this case.
The First National Bank of New Bedford reduced its common stock by changing the par value of shares from $100.00 to $50.00. Thus the Joseph Wing's six shares of stock are but half their former value.

The Clerk Hoxie Relief Account.
(not a trust fund)

Two hundred dollars have been drawn from this account, as the accompanying financial statement shows.
Of the original one thousand dollar gift, seven hundred and fifty seven dollars and fifty cents remain.

At this time we record the death of Elizabeth S. Cornell, a member of this meeting. She was a consistent christian character, loving the Heavenly Father and the people of his Kingdom. She was a friend to those in trouble or in need and was ever ready to help carry on the work of the Society of Friends, always making glad and happy the lives of those with whom she mingled. "Let us live and a deed there, spreading the love of the Master every where" is our loving tribute to her memory.
